Firstly, a huge thank you goes out to all of you who have contributed to our gate collections this year and especially our recent Toiletries and Pantry Items collection. Thanks for getting behind YOUR children's school.

To the families who are leaving this year, we appreciate your support and efforts for the 2016 Gala and hope you are all able to come along on the day.

The Christmas holidays are a great time for clean outs! We will gladly receive any donations of second hand items in good condition including furniture, electrical appliances, clothing, linen, household goods, books, games, toys and anything else you think we may be able to sell! Please keep in mind that we do have to pay to dispose of any items that are broken and we can no longer accept any non-digital televisions, old style computer monitors and children's car seats/restraints that were manufactured more than five years ago.

Bring along your items next year to the drop off box in the school hall foyer.

Our first Saturday drop off date for the new year will be advised in the next Gala News. If you have any larger items which need to be collected at any stage over the coming months please contact: Warren Mosen, Ph: 2983757 or 021 756349

Our Gala Committee has some great ideas planned for next year’s Gala and will be busy working on these over the holidays. Please keep our Gala in mind over the holidays and let a committee member know if you see or hear of anything that you think may be useful, such as ideas for games and prizes, sponsorship opportunities, resources and materials.

Remember, if you feel like creating some homemade crafts for our Craft Stall while you have time over the break it would be most appreciated and if Santa doesn't bring quite what you want this year, we would gladly receive any unwanted Christmas presents next year as well!

Thank you for your support.

We wish you all a very
Merry Christmas and
a safe and happy New Year.
